

## Elsevier Journal List, 8/18/2026

List of Elsevier journals included in the CU Library Journal Access Survey sent to all faculty, RTE faculty, and graduate and professional students.

This list includes journal titles currently published by Elsevier. Journals not included in this list are either published by another provider or are open access titles that will remain freely available. For the survey, respondents have been asked to select up to 10 journals they may be relying on for their current work from the following list:

| Journal Title                                |
|----------------------------------------------|
| Academic Pediatrics                          |
| Academic Radiology                           |
| Accident Analysis and Prevention             |
| Accounting Organizations and Society         |
| Acta Astronautica                            |
| Acta Biomaterialia                           |
| Acta Colombiana de Cuidado Intensivo         |
| Acta Histochemica                            |
| Acta Materialia                              |
| Acta Oecologica                              |
| Acta Otorrinolaringologica (English Edition) |
| Acta Otorrinolaringologica Espanola          |
| Acta Physico Chimica Sinica                  |
| Acta Tropica                                 |
| Actas Urologicas Espanolas                   |
| Actas Urologicas Espanolas (English Edition) |
| Actualites Pharmaceutiques                   |
| Ad Hoc Networks                              |
| Addictive Behaviors                          |
| Additive Manufacturing                       |
| Advanced Drug Delivery Reviews               |
| Advanced Engineering Informatics             |
| Advanced Powder Technology                   |
| Advances in Accounting                       |
| Advances in Anesthesia                       |
| Advances in Applied Mathematics              |
| Advances in Biological Regulation            |

|                                                             |
|-------------------------------------------------------------|
| Advances in Clinical Radiology                              |
| Advances in Colloid and Interface Science                   |
| Advances in Cosmetic Surgery                                |
| Advances in Engineering Software                            |
| Advances in Family Practice Nursing                         |
| Advances in Integrative Medicine                            |
| Advances in Kidney Disease and Health                       |
| Advances in Life Course Research                            |
| Advances in Mathematics                                     |
| Advances in Medical Sciences                                |
| Advances in Molecular Pathology                             |
| Advances in Oncology                                        |
| Advances in Ophthalmology and Optometry                     |
| Advances in Pediatrics                                      |
| Advances in Psychiatry and Behavioral Health                |
| Advances in Small Animal Care                               |
| Advances in Space Research                                  |
| Advances in Surgery                                         |
| Advances in Water Resources                                 |
| Aeolian Research                                            |
| Aerospace Science and Technology                            |
| AEU International Journal of Electronics and Communications |
| African Transport Studies                                   |
| Ageing Research Reviews                                     |
| Aggression and Violent Behavior                             |
| Agricultural and Forest Meteorology                         |
| Agricultural Systems                                        |
| Agriculture Ecosystems and Environment                      |
| Air Medical Journal                                         |
| AJO DO Clinical Companion                                   |
| Alcohol                                                     |
| Algal Research                                              |
| American Heart Journal                                      |
| American Journal of Emergency Medicine                      |
| American Journal of Infection Control                       |
| American Journal of Kidney Diseases                         |
| American Journal of Obstetrics and Gynecology               |
| American Journal of Obstetrics and Gynecology MFM           |
| American Journal of Ophthalmology                           |

|                                                                              |
|------------------------------------------------------------------------------|
| American Journal of Orthodontics and Dentofacial Orthopedics                 |
| American Journal of Otolaryngology                                           |
| American Journal of Pharmaceutical Education                                 |
| American Journal of Preventive Medicine                                      |
| American Journal of Transplantation                                          |
| Anaerobe                                                                     |
| Anaesthesia and Intensive Care Medicine                                      |
| Anaesthesia Critical Care and Pain Medicine                                  |
| Analytic Methods in Accident Research                                        |
| Analytica Chimica Acta                                                       |
| Analytical Biochemistry                                                      |
| Anesthesie and Reanimation                                                   |
| Anesthesiology Clinics                                                       |
| Animal Behaviour                                                             |
| Animal Feed Science and Technology                                           |
| Animal Reproduction Science                                                  |
| Annales D Endocrinologie                                                     |
